We are thrilled to announce that Ghost of a Dream are recipients of this year's 21c Museum Hotels Acquisition Prize at Untitled Art Fair Miami Beach 2024. In its third year as a Prize Partner of Untitled Art, 21c Museum Hotels - one of the largest contemporary art museums in the United States and North America's only collecting museum dedicated solely to art of the 21st Century - resumes its 21c Museum Hotels Acquisition Prize, acquiring works from galleries exhibiting at the 13th edition of Untitled Art. Aligned with this year's curatorial theme of "East Meets West," the jury selection process was guided by Untitled Art's curatorial team, with final selection by the institution's founders, philanthropists, and collectors, Laura Lee Brown and Steve Wilson, alongside 21c's Chief Curator, Alice Gray Stites.
